DAT257 Individual reflection week 3

What do I want to learn or understand better?
I want to improve my knowledge on how to use versions when working with software as well as collaborating tools as Github and Trello

How can I help someone else or the entire team to learn something new?
I can use my knowledge of scrum and agile way of working from my jobs at Volvo Cars.

What is my contribution towards the team's use of Scrum?
Making sure we stick to the correct topic of the different scrum meetings.

What is my contribution towards the team's deliveries?
Staying in touch with our superuser and communicating with her. I have also been working with several tasks and user stories as well as involved in the planning activities.
